Composition #:

Title:

Filename:

Is this piece a finished composition or an etude?

Intent/Description:

- What were you trying to convey, express, or explore with your composition?
- What inspired your composition?
- How did you create your composition? (musically & technologically)
- Did you work with any of your friends on this piece? If so, who? What role did they play in creating this composition?
- Did you have any challenges or difficulties creating this composition? What were they?
- Are you happy with your composition? Is there anything you'd like to be different in this composition?
- What do you want to know more about or know how to do?
- What will your next composition be?
